

This Program Planner is for BA students commencing in Semester 2, 2023

Program Guidelines

- At UQ we refer to your degree as a **program** and a subject as a **course**.
- Most UQ courses are usually 2 units in value.
- If you are a full-time student, you will undertake 8 units (4 courses) each semester.
- A course can only count once towards your plan (Extended Major or Minor or one of your two Majors).

The BA structure

Within the BA, you can choose from one of two structures:

- Two Majors of 16 units each; or
- One Extended Major of 24 units and a minor of 8 units

You will also complete 16 units of General Elective courses (you may use these to complete another Major or Minor if you wish). General Elective courses may be completed from other course lists outside of the Bachelor of Arts, providing you have completed your **first 8 units of courses** from the Bachelor of Arts. There are other important rules you must be aware of. These are detailed in the Program Rules further below.

Please note that some Language Majors only commence in Semester 1 each year and you may need to wait until Semester 1 next year to start your language courses.

How to use this planner

This document assists you to draft an enrolment plan to complete the Bachelor of Arts.

Read the program rules below, then add the courses that you are required to complete for your plans. A plan is a Major, Extended Major or Minor in your chosen disciplines (i.e. History Major). You will find your BA plan and course requirements on the Programs and Courses [website](#).

If you would like a staff member to check your plan, please email it to hass@uq.edu.au. If you are an international student with a credit arrangement from one of our partnering institutions, we have tailored [study plans](#) to assist you in completing your program requirements at UQ.

Students are responsible for ensuring that they have complied with the rules relating to their program and have completed sufficient units to meet graduation requirements. Program planning advice is not binding on the Faculty of Humanities, Arts and Social Sciences or The University of Queensland.

Program Rules

1. Course selection

- Selected courses must include at most 24 units at level 1.
- Selected courses must include at least 8 units at level 3.
- No more than 32 units may be completed from courses with the same discipline descriptor (e.g. POLS).

2. Restricted plan combinations

- The BA Major in Chinese or BA Minor in Chinese can NOT be undertaken with the BA Major in Chinese Translation and Interpreting or BA Minor in Chinese Translation and Interpreting.
- The BA Major in French or BA Minor in French can NOT be undertaken with the BA Major in French Advanced or BA Minor in French Advanced.
- The BA Major in Japanese or BA Minor in Japanese can NOT be undertaken with the BA Extended Major in Japanese Advanced, BA Major in Japanese Advanced, or BA Minor in Japanese Advanced.

3. Progression through program

- A student must complete their first 8 units from courses listed in *BA Courses* and/or *BA Program Elective Courses*.

4. Cross-Listed Courses

- As a course can only be credited once, the following course replacements are approved in circumstances in which a course is listed in more than one plan (minor, major or extended major).
 - a. Where a course is compulsory in one plan
 - The course must be counted towards the plan in which it is compulsory. A replacement course, at the same level or higher, must then be selected from the other nominated plan.
 - b. Where a course is compulsory in more than one plan
 - A replacement course from the other nominated plan at the same level or higher may be selected.
