

This Program Planner is for BCommun students commencing in Semester 2, 2023

Program Guidelines

- At UQ we refer to your degree as a **program** and a subject as a **course**.
- Most UQ courses are usually 2 units in value.
- If you are a full-time student, you will undertake 8 units (4 courses) each semester.
- A course can only count once towards your plan (Major/Minor).

The BCommun structure

The program comprises three components:

- BCommun Core Courses (16 units)
- One BCommun Major (16 units)
- BCommun Elective Courses (16 units)

You will complete a minimum of one BCommun Major (16 units). You will also complete 16 units for BCommun Elective Courses which can comprise:

- General Electives from the BCommun course list or from other undergraduate course lists; or
- Second BCommun Major; or
- One BCommun Minor (8 units) and 8 units of General Electives, or
- Two BCommun Minors (8 units each).

How to use this planner

This document assists you to draft an enrolment plan to complete the Bachelor of Communication.

Core courses that must be taken in sequence are pre-filled. Read the program rules below, then add the courses that you are required to complete for your majors. You will find your plan and course requirements on the Programs and Courses [website](#). Don't forget to save the document to your files.

If you would like a staff member to check your plan, please email it to hass@uq.edu.au from your UQ student email address.

If you are an international student with a credit arrangement from one of our partnering institutions, we have tailored [study plans](#) to assist you in completing your program requirements at UQ.

Students are responsible for ensuring that they have complied with the rules relating to their program and have completed sufficient units to meet graduation requirements. Program planning advice is not binding on the Faculty of Humanities, Arts and Social Sciences or The University of Queensland.

Program Rules

1. Course selection

- Selected courses must include at most 24 units at level 1.
- Selected courses must include at least 8 units at level 3.

2. Cross-Listed courses

As a course can only be credited once, the following course replacements are approved in circumstances in which a course is listed in more than one plan (minor or major).

a. Where a course is compulsory in one plan

- The course must be counted towards the plan in which it is compulsory. A replacement course, at the same level or higher, must then be selected from the other nominated plan.

b. Where a course is compulsory in more than one plan

- A replacement course from the other nominated plan at the same level or higher may be selected.
