Why study the Bachelors of Arts / Education (Secondary)?

This pre-service teacher education program is available only as a dual degree. The BA provides content knowledge for two teaching areas while the BEd(Sec) provides skills and knowledge for the teaching of this content.

Teaching is a challenging and rewarding career, with secondary teachers in demand globally. The dual degree prepares students for secondary school teaching, or industry training.

The BEd(Sec) offers school based learning and draws on the latest research into effective teaching, ensuring graduates are well equipped to teach.

The BA provides the content knowledge for two Year 7-12 Teaching Areas or a Year 7-12 Teaching Area and a Senior Specialist Teaching area. Year 7-12 Teaching Area majors are: Ancient History/History; Chinese [or](#) Chinese Translation and Interpreting; Drama; English; French [or](#) French Advanced; Geography; German; Japanese [or](#) Japanese Advanced; Mathematics; Music [or](#) Popular Music and Technology; and Spanish. Majors for Senior Specialist Teaching Areas are: Economics; Film and TV Studies; Legal Education Studies; Media and Digital Cultures; and Psychology. The Music Specialisation provides for both Year 7-12 Music Teaching Area and Choral and Instrumental Music as a Senior Specialist Teaching Area.
