# Enrolling, Tutorials & Sign-On

- First stop: <https://my.uq.edu.au/starting-at-uq>
- Tutorials: If you have options, mySI-net will tell you if sign-on is required. If not, go along to first lecture for instructions.
- If all else fails, myUQ has the answer
- If unsure about what to do for a course, ask the lecturer in your first lecture.
- If there is a problem with sign-on, e-mail the course coordinator (usually can be found through mySI-net)
- If you have a timetable clash, in the first instance you should try to swap your courses so that you take a different course this semester. If you absolutely cannot avoid a clash, email both course co-ordinators to see if they will permit you to access one of the classes externally, or alternative attendance each week.
- It is unlikely that attendance will be graded, but you need to check with each Course Co-ordinator. For international students, on campus attendance may be a requirement of your Visa conditions. For scholarship holders, attendance may be a requirement of your scholarship.
