### Important Information

It is your responsibility to ensure that you complete all the requirements of this program in order to graduate. The following information is designed to help you plan your enrolment to meet this goal.

### Selecting Plans in mySI-net

A plan is a prescribed combination of courses within a program being either a field of study, major, extended major, specialisation, minor or extended minor.

Ensure the plans for your program are correctly listed in [mySI-net](#). If you require assistance selecting your plan(s), follow these [instructions](#).

You may need to amend this study planner depending on the plan(s) that you have chosen to study.

If you require assistance planning your program or have concerns about meeting program requirements, contact the HASS Faculty: <https://hass.uq.edu.au/contact>.

### Program Requirements

You must complete a total of 64 units for the program.

- 10 units for all BAdvHum(Hons) Core Courses, and
- 38 units from –
  - BAdvHum(Hons) Western Civilisation Extended Major, and
  - 14 units of general electives, and
- 16 units from BAdvHum(Hons) Honours Courses

**NB:** A student must take at least one of the following as an elective for the extended major in Western Civilisation:

- WCIV2700 Western Political Thought
- WCIV2800 The Rule of Law
- WCIV2900 Rights and Freedoms

Your general electives can come from almost any undergraduate program at UQ providing:

- you have met the prerequisites;
- they are not incompatible with any of the courses in your program; and
- they are not restricted courses (e.g. cannot be Bachelor of Medicine, Law and some Language courses).

To ensure you are meeting the requirements, you should refer to the Program Rules found on UQ's [Programs and Courses](#) website for the program, within the 'Courses and requirements' button.

### Program Guidelines

This planner is intended as a guide only and is based on current scheduling of courses. Students should note that scheduling can change from year to year. You are advised to check the scheduling for the current year and contact the relevant Faculty for advice if course scheduling has changed.
