- If the course is compulsory in more than one plan, it will be credited towards one plan only. You must replace the compulsory course in the second plan, with a course chosen from the second plan, at the same level or higher.

- If the course is compulsory in one plan only, it will be credited towards the plan in which it is compulsory. You must select the alternative course in the second plan, with a course chosen from the second plan, at the same level or higher.

- If the course is an elective in more than one plan, it will be credited towards one plan only.
