How to use this planner

This document assists you to draft an enrolment plan to complete the Bachelor of Communication.

Core courses that must be taken in sequence are pre-filled. Read the program rules below, then add the courses that you are required to complete for your majors. You will find your plan and course requirements on the Programs and Courses [website](#). Don't forget to save the document to your files.

If you would like a staff member to check your plan, please email it to hass@uq.edu.au from your UQ student email address.

If you are an international student with a credit arrangement from one of our partnering institutions, we have tailored [study plans](#) to assist you in completing your program requirements at UQ.

Students are responsible for ensuring that they have complied with the rules relating to their program and have completed sufficient units to meet graduation requirements. Program planning advice is not binding on the Faculty of Humanities, Arts and Social Sciences or The University of Queensland.

Course Scheduling

This planner is intended as a guide only and is based on current scheduling of courses. Students should note that scheduling can change from year to year. You are advised to check the scheduling for the current year and contact the relevant Faculty for advice if course scheduling has changed.

Program Rules

1. Course selection

- Selected courses must include at most 24 units at level 1.
- Selected courses must include at least 8 units at level 3.

2. Cross-Listed courses

As a course can only be credited once, the following course replacement rules apply where a course is listed in more than one of your selected plans (minor, major or extended major).

- If the course is compulsory in more than one plan, it will be credited towards one plan only. You must replace the compulsory course in the second plan, with a course chosen from the second plan, at the same level or higher.
- If the course is compulsory in one plan only, it will be credited towards the plan in which it is compulsory. You must select the alternative course in the second plan, with a course chosen from the second plan, at the same level or higher.
- If the course is an elective in more than one plan, it will be credited towards one plan only.
