Additional Rules

Your program has additional rules, please refer to your [program here](#).

How to use this planner

All courses that must be taken in sequence are pre-filled. You should plan your Field of Study Courses first, based on whether you decide to complete a Field of Study, or no Field of Study. You should note semester offerings and prerequisites. Program Elective Courses should be planned last, based on available room in your study planner.

Important Notes

The information contained in this document is intended as general advice only.

You must follow the program requirements, including any additional rules, listed on the [Programs and Courses website](#). This study planner must be used in conjunction with your program requirements.

You need to check the prerequisites, incompatible courses, restrictions and semester offerings for all courses you choose in your study plan. You are advised to check the scheduling for the current year and contact your faculty for planning advice if course scheduling has changed in a future year.

This document is not intended as a progression or graduation check. For further information on progression or graduation checks, please contact the Faculty of Humanities, Arts and Social Sciences.
