# Semester 1 2026 Orientation Master of Teaching (Primary) Information Session

With Dr Emily Ross, Director of Primary Preservice Programs

Tuesday, 17th February 2025 11am-12pm

# Acknowledgment of Country

The University of Queensland (UQ) acknowledges the Traditional Owners and their custodianship of the lands on which we meet.

We pay our respects to their Ancestors and their descendants, who continue cultural and spiritual connections to Country.

We recognise their valuable contributions to Australian and global society.

## 2. Icebreaker

## Welcome to the profession

# Welcome to the profession!

As a preservice teacher, you have now joined the teaching profession!

Act like a professional teacher throughout your program.

Teachers are important and influential role models for young people.

Teaching is a highly human-centric profession based on professional relationships with young people. While the work is demanding, it's highly rewarding.

Walk your own path and don't be afraid to step out of your comfort zone!

# UQ - Master of Teaching (Primary)

- Designed for students with a Bachelors degree - Builds on your undergraduate qualifications to prepare you for a career as a primary school teacher
- 2-year (or four semesters) program
- Carefully-structured professional experience placements

THE UNIVERSITY  
OF QUEENSLAND  
AUSTRALIA

CREATE CHANGE

# 3. Understanding your program structure

# Program Enrolment Pattern

- Your program is not a collection of random courses haphazardly thrown together!  
**Follow the program structure!!!**
- Your entire program is mapped against the Australian Professional Standards for Teachers (APST) graduate standards.
- The APST comprises 37 individual standards contained within 7 overarching standards.
- Each standard is explicitly addressed at least twice in coursework throughout your program of study.

# Key important features – Specialisations (study areas)

The University of Queensland's School of Education offers the following specialisations (study areas) in the postgraduate primary program:

1. Mathematics/Numeracy
2. English/Literacy

- Every student must have an area of specialisation
- Your specialisation will be completed through assessment tasks in specific courses. Your course coordinator will tell you when a task needs to be completed in your chosen specialisation

# How do I complete my specialisation?

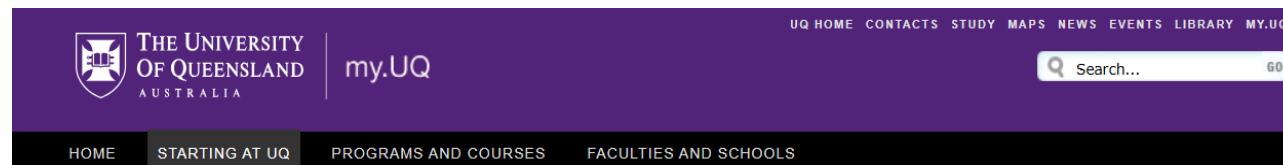

- Three aspects taught and assessed through specific courses in your program (determined by your specialisation) to ascertain
  - Expert Content Knowledge
  - Pedagogical content knowledge
  - Highly effective classroom teaching
- We need to know your specialisation so that we can ensure you get the opportunity to practice and be assessed teaching your specialisation while on placement.
- You record your specialisation via InPlace.

# Key important features – Blue Cards

- All students must have a valid Blue Card.
- Applications, renewals and cards from other organisations must be registered/applied for via the blue card online application portal: see instructions on the School of Education page <https://education.uq.edu.au/our-students/blue-card-information>
- Blue Card is valid for three years - Student's responsibility to check the renewal date
- Must carry the card on you at all times when on placements or visiting schools
- Failure to have a valid Blue Card can result in large fines for the University, the School and the student
- Apply for your card early – it can take up to 12 weeks to process
- No Blue Card = No prac!

# Key important features – Professional Experience (PEX)

Registering for PEX – <https://my.uq.edu.au/information-and-services/manage-my-program/placements> or find it on your my.UQ dashboard.
