

HASS Dean's Commendations for Academic Excellence

SEMESTER 1, 2016

Dean's Commendations for Academic Excellence recognise students enrolled in undergraduate, postgraduate coursework and postgraduate honours programs or study abroad students who have excelled academically and who have shown a strong commitment to their study.

A notation indicating the award of a Dean's Commendation for Academic Excellence is made on the recipient's Studies Report and Academic Transcript. A letter of congratulations will also be sent by the faculty.

Dean's Commendations for Academic Excellence are given to students enrolled in undergraduate, postgraduate coursework and postgraduate honours programs or study abroad students who were either:

- enrolled full-time (minimum 6 units) in Semester 1, Semester 2, or Summer Semester; or
- enrolled part-time in a minimum of 6 units in the calendar year and did not study full-time for any semester that year; and who
- achieved a minimum semester GPA of 6.6.

Students eligible for a Dean's Commendation for Academic Excellence do not need to apply for the award. Dean's Commendations for Academic Excellence will be identified in accordance with the above criteria. For part-time students, this will be calculated after release of Summer Semester results in the following calendar year.
