

CHECKLIST Bachelor of Communication - Transition to 2017 program: PLEASE ATTACH YOUR STUDIES REPORT

Full name: _____ Student Number: _____ Date: _____

Points to note

- If you have completed 16 units (or less) towards your program, you may wish to transition to the restructured program – for students with more than 16 units, this is unlikely to be possible due to a more substantial Part A (core courses). Students who choose to transition cannot complete the Mass Communication major, or the Communication, Media and Culture majors, which are not available to students commencing in 2017. **Transition to the new program means that you are required to follow the new rules and course list entirely.** Students who wish to transition to the new program must advise the Faculty of their intention to do so – hass@uq.edu.au no later than **30 January 2017**. Failure to do so may cause complications at graduation.
- You need to ensure that you meet minimum program (and major) requirements (listed in the program checklist box below)
- You cannot count the same course twice (eg for both Part A and Part B)
- You need to ensure that you don't take courses that are incompatible with courses that you have already counted towards your program; and any prerequisites have been met
- Students in dual degrees need to only consider Parts A and B (electives not required)
- Students in the single BComm degree may be able to take the new major in Digital Media and/or new minors offered – Digital Media, Journalism, or Writing

PROGRAM CHECKLIST Once you have completed the individual parts (pages 2 onwards), ensure that the following requirements have been met:
