TIPS to HELP you SUCCEED

1. Mix with other students as much as possible.
The best learning is social learning – we learn with each other
2. Writing in English is much more difficult than speaking English, so read books written in English as much as possible to get used to written English
3. Enrol in the writing course (WRIT6001) **this** semester as a foundation for all of your program
4. Have all assignments and projects professionally proof-read by someone for whom English is their first language. Student Services provides some assistance with English as well

Understanding your Program Structure

Most students are completing a 24 unit Masters degree – 3 semesters full time

(if you already have an **honours degree** you can complete a 16 unit Masters degree)

Course enrolment & tutorial sign-on

- Log into [Starting at UQ](#). Go to mySI-net to enrol in courses.
- Once you are enrolled in a course, you should be able to see if tutorial sign-on is required. If not, this will be covered in your first lecture.
- If you have a problem with sign-on, email your school admin team.

Textbooks

Wait until Week 1 to work out what textbooks you should get

- **Buy:** [The School Locker](#) or [Second-hand Texts & Stationary](#)
- **Print:** [UQ Print](#)
- **Borrow:** [UQ Library](#)

Program Structure

You all will have to complete the List of Courses - <https://my.uq.edu.au/programs-courses/requirements/program/5368>

In addition to the above List of Courses you can select up to 12 units of level 3 and level 4 courses. Only 6 of these units can be level 3 courses AND you must get faculty approval by sending a completed “Variation to Program” form to the Masters Coordinator (g.morton@uq.edu.au)

The new form is at <https://music.uq.edu.au/files/31489/MMus-general-elective-approval-request.doc>

UQ Program Planner

The Program Planner is a tool that allows you to plan courses for your program and ensure that the plan meets the program's completion rules and chosen structure.

Program Planner

The [Program Planner](#) is a tool that also allows you to engage with UQ staff to get feedback on your plan.

Don't worry if you are still confused after using the Program Planner, you can get further support from your School Administration Team (further details shortly).
