PLAN ACCORDINGLY

Course enrolment & tutorial sign-on

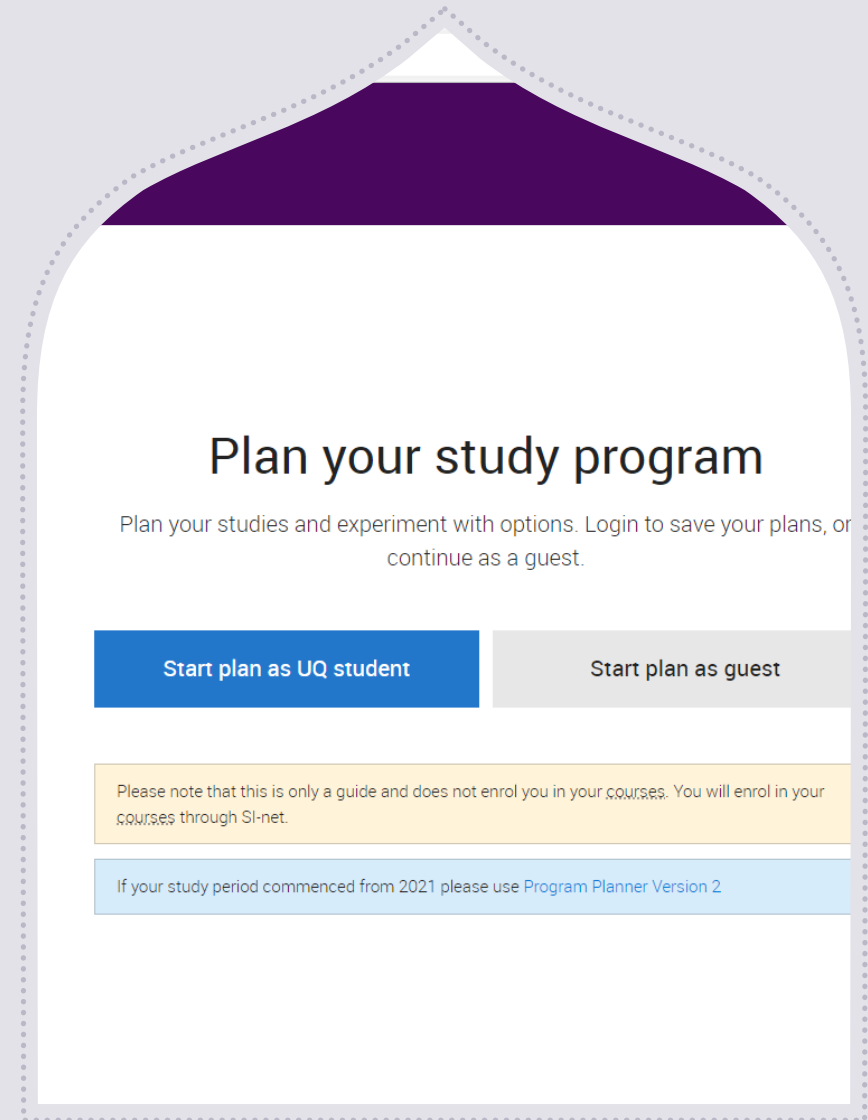

- Log into [Starting at UQ](#). Go to mySI-net to enrol in courses.
- Once you are enrolled in a course, you should be able to see if tutorial sign-on is required. If not, this will be covered in your first lecture.
- If you have a problem with sign-on or timetabling, email: polsis@uq.edu.au

UQ Program Planner

The Program Planner is a tool that allows you to plan courses for your program and ensure that the plan meets the program's completion rules and chosen structure.

Top Tips

- #32 Masters and #32 Grad certs must do POLS7000 (Writing Politics) and POLS7002 (Foundations)
- Grad certs not articulating can choose from core and flexible courses
- Research Methods (POLS7701) only Semester 1 (Variations possible)
- Some external courses are not always timetabled. Always check ECPs

My top tips

Be very present in your own career development!

How can your time in the Graduate Centre at POLSIS advance your career?

What skills/experiences/mentoring can help me achieve my goals?

Career mentoring and advice.

Time Management - 13 weeks is not a long time

What you do in the first 6 weeks *will impact your final 7 weeks of semester*

10 hours per 2 credit points - full load 40 hours per week

Work consistently and take time management seriously

Think about a good balance between extra-curricula activities, work, study.

Be realistic - make adjustments - ask if you need assistance!
