# Transferring from the BA to another UQ degree

Information for students planning to transfer from Bachelor of Arts to

### Bachelor of Commerce/Bachelor of Arts
or
### Bachelor of Commerce

The sample enrolment plans below are for students who are studying in the Bachelor of Arts in 2023 who hope to
- transfer into the Bachelor of Commerce mid-year 2023; or
- add Commerce as a dual degree with Arts mid-year 2023; or
- hope to transfer into the Bachelor of Commerce or Bachelor of Commerce/Bachelor of Arts in 2024.

These plans have been approved by the Faculty of Humanities and Social Sciences and the Faculty of Business, Economics and Law, and are provided as a guide only. The suggested courses are not compulsory, and many others are available.

## Remember:

- To satisfy the Bachelor of Arts program rules, in their first year of study **all BA students must complete their first 8 units of courses from the BA course list** with the exception of General Elective Courses (see https://future-students.uq.edu.au/study/programs/bachelor-arts-2000 to check the full Bachelor of Arts Program Requirements).

- Students will need to satisfy subject prerequisites AND obtain grades that will derive the required OP/entry rank for the *relevant program*. These are often best achieved by enrolling in courses they enjoy and therefore should consider their choices carefully. Students may wish to contact UQ Admissions to discuss how their entry rank will be calculated on the basis of their academic history.

- Students intending to change programs mid-year in 2023 or 2024 should familiarise themselves with all relevant rules and procedures. More information is available from:

  - Programs and Courses website: https://my.uq.edu.au/programs-courses/
  - Admissions: email admissions@uq.edu.au or telephone 07 3365 2203.
  - 'Transferring Programs' sessions run during Orientation - check the *Orientation Guide* for details.

- Students may seek further information on the Bachelor of Commerce by contacting the Faculty of Business, Economics and Law: bel@uq.edu.au

- To apply for a new single program in the following year, you must submit a new application through QTAC. You cannot request this transfer internally. Please visit the myUQ website or contact UQ Admissions for more information.
